To: Private Pesticide Applicators

From: Rod Gurganus 
County Extension Director

It is time to renew your private pesticide applicator license. Please attend one of the following meetings to gain the required two hours of "V" credits:

January 24, Beaufort County Extension Office, Washington

10:30am - 12:30pm, Private Pesticide Applicator "V" Training (2 hrs V credits)

February 18, Martelle's Feedhouse, Engelhard

1:00pm - 3:00pm, Private Pesticide Applicator "V" Training (2 hrs V credits)

February 20, Ponzer Community Building

8:00am - 10:00am, Private Pesticide Applicator "V" Training (2 hrs V credits)

March 3, Beaufort County Extension Office, Washington

6:00pm - 8:00pm, Private Pesticide Applicator "V" Training (2 hrs V credits)

September 30, Beaufort County Extension Office, Washington

8:00am - 10:00am, Private Pesticide Applicator "V" Training (2 hrs V credits)

If you still need "X" credits (you must have two total to recertify), you can attend one of the following Corn, Wheat, and Soybean Winter Production Meetings (some of these meetings are held on the same dates and at the same locations as the "V" trainings above:

January 24, Beaufort County Extension Office, Washington

8:00am - 10:00am, (2 hrs X credits)

February 13, Sid Cayton's Farm Shop, Aurora

10:00am - Noon, (2 hrs X credits)

February 18, Martelle's Feedhouse, Engelhard

10:00am - Noon, (2 hrs X credits)

February 20, Ponzer Community Building

10:00am - Noon, (2 hrs X credits)

September 30, Beaufort County Extension Office, Washington

10:00am - Noon, (2 hrs X credits)

Contact Rod Gurganus if you have any questions (946-0111, rod_gurganus@ncsu.edu).

Respirator Fit Test Training for Fumigant Applicators

If you apply fumigants and need to conduct your own annual fit tests, contact the Beaufort Extension office to register for their upcoming workshop. The workshop will be held February 5th, 9am, at the Beaufort County Extension office. Cost is \$75 for registration and \$99.31 for the fit test kits. Medical clearance must be obtained before attending this event. Only 12 seats available.

See website for more details
